The luncheon is to be served from 11 a. m. until 2 p. m. Ice cream and cake are to be served in the afternoon and evening. Mrs. L. B. Tucker and Mrs. John R. LUNGS GREW WORSE IN STATE HOSPITAL

Mr. Randall promptly got well at home. Passes strict examination.

Three years ago I was afflicted with tuberculosis of the lungs. I was finally sent to the State Tuberculosis Hospital at Rockville, Ind., where I remained three months, getting worse all the time, and I persuaded the doctors to let me go home. I was then reduced to 125 pounds, had fever all the time, and was very weak.

As soon as I got home, I started taking Milla Emulsion. I commenced to improve at once. In a few months I was back to 150 pounds and had completely regained my health. Since then I have been employed by Valentine & Co., meat packers, and am able to pass the strict medical examination necessary in this line of work, showing I am in perfect health.

Kindness, 211 So. 17th St., Terre Haute, Ind.

Hundreds of people just as badly afflicted as Mr. Randall were told this name story. "By not try it? If you are not satisfied with the benefit, it costs you nothing."

Milla Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milla Emulsion is strongly recommended to run-down nervous people, and it has produced amazing results in many cases of tuberculosis of the lungs. Chronic stomach trouble and constipation are promptly relieved—usually in one day. It works like magic on coughs and colds.

This is the only solid emulsion made, and is palatable that it is eaten with a spoon like ice cream. A truly wonderful medicine for weak, sickly children.

No matter how severe your case, you are urged to try Milla Emulsion under this guarantee. Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.50 per bottle. The Milla Emulsion Co., Terre Haute, Ind. Sold at all guaranteed by all druggists.—Adv.

"Feast of The Little Lanterns" Is Given by Woman's Club Musicians

The Chinese opera, written by Paul Bliss and given on Wednesday afternoon and evening at the Woman's club house by the music department of the Woman's club, was a musical gem, both from a viewpoint of composition and rendition.

Adding greatly to these most important factors was the artistic stage setting. The deep ivory tints of the walls and the stage formed a beautiful background for the brilliant coloring of the Chinese decorations. This scene was laid in a royal Chinese garden and here hung innumerable Chinese lanterns. Pink roses and lavender mistletoe, clustered upon the trellises on the stage and huge Chinese gardeners held flowering plants.

A varied peacock robed himself properly in the dark, center of the stage and the regal Chinese princess, Miss Yella Baron, as Princess Ching, held court beneath a great Chinese parasol.

Miss Baron was beautiful in her role, being perfectly adapted for her song. The one in the second act, "Oh, Beautiful," required a fairly high note and these she rendered with perfect clarity of tone.

Her robe was a royal mandarin coat of dull Chinese red heavily embroidered with gold and silver, and with a belt of blue in tones of red and green. Her jeweled headpiece was most becoming and enhanced her brilliant jewels.

Mrs. Will T. Owen's voice was required in the song of the jester, "Oh, Beautiful," which she rendered with perfect clarity of tone.
